Jul 24, 2012 It's just what the name suggests, but it's way better than the Windows Automatically Updates Driver Maintenance Tool. It has a lot of extra options that the one in Windows 8, for example, does not have, and it's designed to be very user friendly. I often use it when installing new drivers from the Windows Updates, which are usually locked to the manufacturer's installer.

Jun 17, 2012 DriverPack Solution is very easy to use and is just what the name suggests. It is user friendly and has an attractive and intuitive interface with no complicated menus. .
