'His Accompaniment, Scourge of the Moon' (Years have passed, and the landscape of the Lands Between has been devastated by war. You have become an Elden Lord as the descendant of an ancient bloodline who gained power through a terrible power known as the 'Elden Ring Cracked Accounts.')

'Between an Abyss and a Dream' (The Lands Between is home to the world of Toraun, an endlessly deep ocean, between two super-high cliffs. Within Toraun, torn by war and suffering, your partner is a mortal, a young woman whose life is in peril.)

'From the Depths of the Midnight Seas' (The Kingdoms of the Lands Between are warring as their country is overcome by the darkness of a cursed tower. The famous Elden Lords are disappearing as the Elves' land is invaded by the different races, and the country is scattered.)

'New Mythos' (The Ends of the Land, where four great realms are gathered, have fallen into a deep slumber. In the midst of this, an extremely powerful force has appeared, which has yet to be named.)

'Dream of the New Mythos' (Some long years ago, in a world without mankind, the Mystics and the Elves lived side by side, beneath the blessing of the legend of the World Tree. Once again, the World Tree is threatened by a darkness borne of this power.)

'Warring of the Elf and the Beast' (The Elves and the Beasts are now on the same battlefield, a massive conflict of fire and ice. Great cities are destroyed, and the World Tree is in danger.)

'The Crystal, the Beast, and the Young Maiden' (You have become involved in a conflict with a magical Crystal that is said to have the power to solve the World Tree's danger. And then, they appeared, the Elves and the Beasts, destined to die and waking a power that was long buried within the Millennial Stone.)

'The Mythos of the Night' (In the Lands Between, monsters have been awakening from the deep slumber of a millennium. And then, a dark and threatening force appeared in the Lands Beyond. What is this power that seems capable of tearing down the faith in the Mythos of the World Tree, one of the civilization's core beliefs?)

'Memory of the World Tree' (A horrific battle has

Tarnished A Lord that causes chaos, Destruction To Be a Lord, one's origin must be a God. Among other gods, the Goddess of Fate, Hestia, made a deal with the humans that they could become gods. A Lord who is neither God nor human, and has no connection with the gods whatsoever, is known as a Tarnished Lord, and have existed since human beings began to exist. The Tarnished Lords live in lands in between the lands of the Gods. Many of these lands were once wild, desolate forests, but the Lord of Destruction, a Tarnished Lord that was once a human being, ruled over them. As a human being, he had once led a poor life, but was enveloped in an explosion of events. When he was young, at the time when "A Storm of Forces" was raging, his mother and father died in a shipwreck, and he vowed that he would live a life devoted to his Father, in order to avenge their deaths. Now that he has ascended to the powers of a God, he is now called Tarnished." In all of the Lands Between, demons called Nobodies have arisen, each with an incomprehensible power. The Nobodies' powers have descended on the lands, and human civilization is falling apart. In these chaotic times, it is said that there exists the Goddess of Fate, Hestia. The Tarnished Lord has now managed to reach the God Realm, and it is said that now the Nobodies will meet in a desperate struggle. bff6bb2d33
